WAY TO SCHOOL.....

The end of summer is approaching, which means that it will soon be time to begin a new academic year. Our campus was too quiet during the holidays but now once again it is going to be full of excited students and teachers, eager to start on new learning journeys together. In fact students are excited to be back at school. Its time to dust off those backpacks, sharpen the pencils, and get ready for another exciting year.

The start of a new year is like turning the page to a brand new chapter in a captivating book. Your teachers, friends, and the entire school community are thrilled to be a part of your story. Let's make this year a remarkable one filled with laughter's, discoveries and growth. We are looking for productive partnership with you to ensure our children can achieve their highest potential.

INDEPENDENCE DAY PREPRATION

The 14th of August 1947 stands as a pivotal moment in history, marking the birth of Pakistan and the end of British colonial rule in the Indian subcontinent. This day holds profound significance, symbolizing the realization of the Pakistan Movement's aspirations and the creation of a sovereign nation for Muslims. Beyond its historical importance, the 14th of August has become an annual occasion of national celebration, fostering unity in diversity and commemorating the sacrifices made during the struggle for independence. It serves as a reminder of Pakistan's cultural identity and a testament to the resilience and determination of its people. The day is marked by patriotic fervor, flag hoisting ceremonies, and a collective reflection on the principles of justice, equality, and self-determination that define the nation.

INDEPENDENCE DAY CELEBRATIONS

IMPORTANCE OF 14th AUGUST

Independence Day: *Yāum-e-Āzādi* is a holiday in Pakistan. It has been celebrated every year on 14 August since 14 August 1947. On that date, British India became an independent country, the dominion of Pakistan. (The Dominion of Pakistan became today's Islamic Republic of Pakistan in 1956, on Republic Day.) It commemorates the day when Pakistan achieved independence and was declared a sovereign state following the end of the British Raj in 1947. Pakistan came into existence as a result of the Pakistan Movement, which aimed for the creation of an independent Muslim state in the north-western regions of British India via partition. The movement was led by the All-India Muslim League under the leadership of Muhammad Ali Jinnah. The event was brought forth by the Indian Independence Act 1947 under which the British Raj gave independence to the Dominion of Pakistan which comprised West Pakistan (present-day Pakistan) and East Pakistan (now Bangladesh). In the Islamic calendar, the day of independence coincided with Ramadan 27, the eve of which, being Laylat al-Qadr, is regarded as sacred by Muslims.
